Project: ACDBE Goal Setting Consultation: Pocatello Regional Airport (PIH)

Attendees: Interested Stakeholders; Kristy Heinz, PIH Management Assistant/Airport Security Coordinator; Alan Evans, PIH Airport Manager; Shaunna Romero, T-O Engineers (Consultant)

As per 49 CFR Part 23, the Pocatello Regional Airport will hold a consultation with interested stakeholders including minority, women's, and general contractor groups, community organizations, and other officials or organizations expected to have information concerning the availability of ACDBEs and non-ACDBEs. This consultation is also intended to gather information concerning the effects of discrimination on opportunities for ACDBEs, if present, and establish a level playing field for the participation of ACDBEs.

The consultation will be held via teleconference at 4:00 PM Mountain Time on Monday, October 21, 2019. Interested stakeholders may call toll-free: (800) 613-5029, Conf ID 9981153652#.

Once established, the PIH FFY 2020-2022 Airport Concessions Disadvantaged Business Enterprise (ACDBE) Goal will be posted on the Pocatello Regional Airport's web page and on the T-O Engineers web site project portal.

The Airport's has not previously established an ACDBE Goal.

Topics for discussion:

1. What availability exists of ACDBE goods and services concessionaires in the Pocatello Regional Airport's market area?
2. Do you feel there are obstacles or challenges for ACDBEs which would currently interfere with their ability to provide car rental goods & services for PIH car rental vendors?
3. Do you have any suggestions or input related to goal-setting for PIH?
